**REMARKS**

A Notice of Allowance and Fee(s) Due was issued on 16 March 2005 in this case, and the issue and publication fees were duly paid on 13 May 2005.

On or about 5 January 2005, a related International Application was filed through the appropriate receiving authority in the Republic of Korea (PCT/KR2005/000017), and International Search Report (ISR) thereafter issued in that case on 15 April 2005. The ISR cited a number of foreign patent documents, noting varying degrees of relevance.

Because of processing and communication delays, the undersigned attorneys (Applicant's U.S. patent counsel), did not receive a copy of this ISR until well after the issue and publication fees were already paid in this case. This Petition to Withdraw the above-referenced Patent Application from issue is accordingly being filed to properly disclose the patent documents cited in the ISR and ensure their full and proper consideration.

Wherefore, a Request for Continued Examination and requisite fee are submitted herewith, accompanied by an Information Disclosure Statement and copies of the patent documents cited by the ISR in question. It is requested that this Petition be granted, and that the attached RCE and accompanying IDS be fully considered in this case.

A check in the amount of \$525.00 payable to the Director of Patents and Trademarks is enclosed herewith to cover the Petition Fee under 37 C.F.R. § 1.17(h) and the RCE fee under 1.17(e) associated with this filing. Should additional fees be necessary, the Director of Patents and Trademarks is authorized to charge such additional fees associated with this filing to Deposit Account #18-2011.

Respectfully submitted,
